Sampada Poudel

UI/UX Designer

PROFILE

Undergraduate Student | Aspiring Website and Mobile App design | Content Creator

I'm an undergraduate student at Mount Annapurna Campus, Affiliated to Tribhuwan University and situated in Pokhara, diving into the realms of coding and data analysis. Currently, I am learning UI/UX and designing for Mobile App. When I'm not immersed in the tech world, you can find me passionately following Dancing, content creator In addition to my academic pursuits, I am a content creator on Instagram and YouTube, specializing in video editing and creating content. I am always seeking the perfect balance between bytes and boundaries.
